Math Support Center -- tutoring daily except Saturday

Sundays 7:30 PM - 10:00 PM

Monday through Friday 10:00 AM - 4:30 PM

Capsules are available in our office 256 Malott

Most are also available on-line at:
http://www.math.cornell.edu/twiki/bin/view/MSC/MscCapsules

Math Support Capsules are useful for:

- reviewing for prelims
- reinforcing class work
- help in tough topics
- filling gaps in background
- perspective when you feel overwhelmed by tests or homework
- brushing up
- listening to your frustrations
- encouragement for your ideas
- tips for learning and teaching mathematics
- special arrangements to meet you special needs
- referrals for more extensive tutoring if you need it
- spot-tutoring to keep you abreast of courses
- information on careers in mathematics and allied fields
- help in choosing the right math course for your needs
- diagnosis of gaps in your mathematical background
- ideas to deepen your understanding of mathematics
- little better with:
  - Trigonometry
  - Related Rates
  - Polar Coordinates
  - Multiple Integrals
  - Max-Min Problems
  - Logarithms
  - Limits
  - Integrals
  - Infinite Series
  - Graphing
  - Functions
  - Exponentials and Logarithms
  - Differential Equations
  - Algebra
  - Diagnostic Tests
